

JOSPER COOKWARE by BITTOR ARGINZONIZ

By Bittor Arginzoniz - **ETXEBARRI** (BIZKAIA - ESPAÑA)

In the last decade, Bittor Arginzoniz has revolutionized the most ancestral culinary technique, that of grilled cuisine. His Asador Etxebarri (Atxondo, Biscay, Spain) is undoubtedly considered the best in the world.

Bittor's mastering of the gastronomic grill has led him to innovate in braising techniques and has allowed him to design both the Josper Basque Grills and a series of grilling grates and perfect pans for grilling all kinds of products.
