

Bolero Turbo 33 SO

BRAVILOR BONAMAT

Bolero Turbo 33 SO

Price € 3.196,00

Identifier 8.020.500.31001

Description

The Bolero Turbo 33 SO variant (Single Outlet) has only one outlet. This eliminates any confusion about where to position the cup or jug.

It is designed for locations that require high capacity and constant reliability. Ideal for healthcare facilities or conference centres, it delivers a fast, consistent supply of hot beverages and can brew up to 44 litres of coffee per hour.

With one 5.3 litre canister, two 2.4 litre canisters and three powerful mixers, it provides a continuous flow of perfectly blended drinks and fills a 2-litre decanter in 90 seconds. The flippable cup tray adapts the interface automatically for cups or decanters, ensuring smooth operation in busy settings.

Compact yet powerful, it offers up to 36 hot beverages including hot water, with 130 mm cup and 251 mm jug clearance. It allows full adjustment of drink volume and strength.

Hygiene stays central with an easy-clean touchscreen, accessible components and a maintenance history for transparent upkeep.
