Price € 4.403,00

Identifier 8.033.100.31005

Description

The FreshMore 100 is a practical solution for those prioritizing speed and simplicity without sacrificing quality. It delivers superb black filter coffee, just at the touch of a button. Perfect for hotel breakfast areas, on-the-go locations, and medium to large workplaces.

The FM100 configuration features one ground canister, allowing it to serve various types of beverages made from ground coffee.

The highly innovative CombiBrewer is engineered for both versatility and performance. With a single brew cycle volume of 480 ml (32g of coffee) it offers flexible brewing with filter paper or paperless using the permanent filter. Switching between brewing methods can be done effortlessly in the field.

High levels of control throughout the brewing process ensure precision in every cup, while the easy-to-clean design and straightforward installation makes the FM100 truly practical.
