Price € 1.455,00

Identifier 8.010.060.31002

Description

Quick filter machine for locations with connection to the water supply. Delivered with 4 decanters and 2 stainless steel filter pans. Model with 2 brewing systems and 4 hot plates.

Strong points

- Delicious, fresh filter coffee
- High-quality stainless steel combined with black accents give the machine a modern appearance
- Thanks to the connection to the water mains, the machine is automatically filled with water
- Consistent quality of the coffee because of the exact water measurement
- Self-regulating hot plates to preserve the optimum quality of the coffee
- Signals indicate when the coffee is ready and when the machine needs descaling
