

B5 W

BRAVILOR BONAMAT

B5 W

Price € 3.008,00

Identifier 4.102.103.110

Description

Round filtering machine to be mounted onto the wall for locations with water connection. The B5 W brews large quantities of coffee into separate containers. Equipped with digital display, total and day counters, descale system, coffee-is-ready signal, built-in timer and optimum security provisions. Including container(s) type VHG, filter unit(s) and wall console for brewing column.

Model with 1 brewing system and 2 containers of 5 litres.

Please note that the trolley and tip-up plate are not included as standard. These accessories can be ordered separately.

Strong points

- Quickly large quantities of fresh filter coffee.
- Robust and high-quality appearance because of stainless steel housing.
- Equipped with coffee-is-ready signal, total and day counters and built-in timer.
- Descale system and optimum security provisions.
- Coffee of a consistent quality: The containers monitor the quality of the coffee.
