

Airpot Furento glass inner-bowl (red)

BRAVILOR BONAMAT

Airpot Furento glass inner-bowl (red)

Price € 96,10

Identifier 7.171.337.101

Description

- The Airpot Furento unit keeps up to 2.2 litres of coffee or tea at the right temperature ensuring its aromatic flavour.
- The ergonomic pump handle makes serving easy.
- Coffee can be brewed directly into the Airpot Furento from Bravilor Bonamat's TH quick filter machines and the Airpot-specific RLX table-top machines.
- The portable unit can be taken anywhere, for example into a meeting room, office, canteen or wherever required.
- Available in various colours.
