Description

This professional milk fridge has been selected by Bravilor Bonamat for the Sego L. The fridge provides plenty of room for standard litre packs of long-life milk.

The fridge cools the packs of milk and keeps the milk at a constant temperature, e.g. 4°C. The temperature can be set between 0°C and 4°C.

Please note! If you place the Sego on a pedestal, the fridge will also need to be raised.
