SPRSO Pastel Bloom

Price € 1.300,00

Identifier 8.038.040.31006

Description

If you are looking for the simplicity of a consumer machine and the performance of a professional coffee-maker, Sprso Black/Blue is what you'll need. The Sprso Black/Blue is small, powerful and stylish.

This eye-catching bean-to-cup machine serves perfect single cups of ristretto, espresso, caffè crema and americano. A milk cooler* option offers you the additional facility to create delicious cappuccinos and lattes.

The Sprso Black/Blue is perfectly suited for board rooms, waiting rooms and small offices. The Sprso Black/Blue is even right at home on the kitchen counter thanks to its compact size.

- Unique design
- Makes coffees from freshly ground beans
- Makes milk coffees with freshly frothed milk
- Simple and intuitive operation
- Brews two beverages simultaneously (ristretto, espresso and caffè crema)
- Cup size, brew strength, intensity and grind size can be adjusted to your individual preference
- Made from solid and high quality materials: stainless steel and BPA-free plastics
- Incorporates professional CIRCO brewer
- Extremely low energy consumption in standby < 0.5W

This bean-to-cup machine can be unpacked, plugged in and ready for use in only 10 minutes.

*The Sprso Black/Blue milk cooler from Bravilor Bonamat is not automatically included. This item can be ordered separately, see: Sprso Black milk cooler.

Volume pricing available upon request.
