

HWA 3

BRAVILOR BONAMAT

HWA 3

Price € 741,00

Identifier 8.060.350.31002

Description

The HWA 3 is ideal for small locations where a low capacity of hot water is required. The machine is designed as a 360 degrees solution, which means that the unit looks attractive from all angles. The compact narrow footprint is space-efficient. HWA 3 is overall user-friendly. The HWA 3 is maintenance-friendly due to easily removable lid on top. The high-quality Bravilor Bonamat parts are sustainable. This results in little maintenance and a long-life.

HWA 3 benefits

- Water connection
- Automatic water refill (manual refill also possible)
- Free-flow dispense tap
- Boil-dry protection
- Sleepmode (2-16 hours or off)
- Boiler insulation material reduces the use of energy by minimising heat loss
- Tap height: 150 mm
- Made of stainless steel
- Drip-tray included

Specifications

Ingredients
- Water
